## Coffee

Our coffee has won 2 GOLD TASTE AWARDS, and is a fair trade product.

The coffee is slow roasted to fully develop the sweetness and fragrant aromas that are coaxed from the bean.

Our award winning coffee is a 100% Arabica blend from small holder farmers, growing sustainably produced coffee in Central America, South America and Indonesia.

Cackleberrys coffee is so rich and delicious that we think one espresso per cup is perfect but if you prefer a stronger coffee hit, then your second shot is on us!
